Rockmart's new Bojangle's is operated by Dabney's Inc., an organization led by Mitch Abney who has owned the Bojangle's in Cedartown since April 1985.

Abney is the general contractor of the Rockmart Bojangle's, which allows him to oversee the work performed and everything is built to specifications. He said he is looking for a March 2007 opening date.

"We are already training management for our new Rockmart Bojangle's at our Cedartown location," he said.

"We will be taking applications and begin the interviewing / hiring process of crew personnel in early February 2007. Our goal is to have a staff of 50 trained individuals ready to serve our customers on the first day of opening and many days after."

Bojangle's Restaurants Inc., founded in 1977 with headquarters in Charlotte, N. C., operates more than 350 stores in 15 states. Specializing in a variety of chicken, side items, biscuits and sandwiches, Bojangle's offers a high-quality, made-from-scratch menu in a fun, fast and friendly environment.
