New Bojangles' is 14th for owner

MOORESVILLE — The Bojangles' that opened recently at 625 River Highway (N.C. 150 West) is the 14th for longtime owner-operator Kevin Archer, owner of Statesville-based K-BO Inc.

For 17 years, Archer has opened Bojangles' restaurants in the Charlotte area, including Denver, Cornelius and Statesville. The new Mooresville location replaces a smaller store on Williamson Road. Archer's other Mooresville Bojangles' is on Plaza Drive.

Archer

Archer said he's planning to open two more Bojangles' early this year, in Stanley and Granite Falls, and another one later in the year at the soon-to-open I-77 Exit 32 in south Iredell. His company also is considering developing stores in Charleston.
